CHAPTER II .- THE FALSE GEMS. mond dealer, Rue de Ouvidor, was a corner building, almost the exact counterpart of a dozen edifices on the same the upper portion faced with blue and white porcelain-tiles. From above the rooms looked out through bow windows The counting-room had more the appearance of an elegant piece of furniture

icient to change the fate of an empire Farther back and opening on the side street was a long, dark hall way, from

Through this Percy Reed conducted his guest. Hospitality, whatever be its definition in other countries, in Brazil means not only receiving the stranger within your gates but at once installing you really like to hear me sing?" and him as a member of your family. A servant was immediately dispatched after Dupleisis's luggage, an apartment selected for his use and a vage placed at his bly. It was one of those gloomy Spanish disposal. For a week he puzzled over ballads, dramatic rather than harmonthe streets. Nearly all were narrow, the sidewalks being scarce three feet in width, strains in the fitful measure of an Æolian ious, that poured forth its mournful and these were used indiscriminately by tilburys, carts and gangs of negroes rushing to and fro with great packages of merchandise or sacks of coffee. With merchandise or sacks of coffee. With the Jehus his experience was rather remelting compassion; it implered pity and sympathy in words of thrilling en-treaty; and then it rose, cold and calm, markable. Ordinances for the prevention of furious driving seemed positively
